

Guardian Customer Validation Form

okapiccf.com

Please complete this short review so we can confirm whether Guardian's website-health results are accurate, understandable, and useful. This is a read-only review: Guardian will not change your website.

Owner and review details

Business name Okapi Children Cancer Foundation

Reviewer name and role Kemi Adekanye, Founder

Review date 15th September, 2026

Permission to review confirmed yes or no Yes__

What Guardian reported

The following is a technical observation from a bounded check. It is not a confirmed business problem until you review it.

Observation: Slow response snapshot; earlier security-header gaps.

Your review

- Is this observation accurate for your website? Yes
- Was the explanation easy to understand? Yes
- Does it affect your business or customers? Not sure
- Did you take any action after seeing it? No
- If action was taken, what did you change?
- Was the issue prevented or resolved? Unknown
- What evidence supports your answer?
- How useful was this result? 1 2 3 4 5 Probably 3
- Would you continue using Guardian? Yes if these findings are very accurate
- What was the most valuable result? My site is a bit slow
- What is the most important missing capability? My forms are submitting and every other thing seems to be okay
- May Guardian quote your feedback publicly without identifying private details? Yes

Return

Please return this completed form to the Guardian project owner. Your responses will be recorded separately from Guardian's technical results and will only be used for product validation unless you grant permission to quote them.
